The Story:

Well what can I say, new massage place opened hush massage in Nottingham, I rang in to make an appointment and got one with Demi. On the day met Demi she was very polite and very good lucking. She introduced her self and took me to the room. I don't no where to start but she very very good looking. She has all the right curves and busty and is always an added bonus.. Her massage is no ordinary massage she like to take her time and does give a very sensual massage and no rush. B2B was great she has very nice soft golden skin that hits you on the spot. I wouldn't see anyone else now as she gives it all to give you the best massage, the best body and the best finish that you will experience.. 100% how a massage should be given by sexy looking woman who has the talk, the touch and knows how to make you happy.. ;) Thanks Demi for the wonderful experience and see you again soon..
