The Premises:

As before. A modern and clean flat shared with another provider very close to Paddington Station. Clean shower but you have to make sure the way is clear before you dash out starkers into the corridor to the bathroom.

The Lady:

The photographs depict her well although her tits aren't quite as big as the pictures. Marybeea is now blonde (I think with extensions) whereas last time I saw her she was brunette. Beautiful slim body.

The Story:

This was a two pop visit arranged at fairly short notice. I had seen Allegra the previous day (see my other review) and wanted to repeat that experience but she wasn't available. However Marybeea was available so I opted for a repeat - I last saw her in September 2015 (review 121017).

She has matured a bit since my previous visit. Her English is now much improved and conversation was easy.

I had been concerned the 2nd pop might not work out because I had been emptied by Allegra the previous day - fortunately Marybeea repeated the experience I had last September and everything went as planned!

In summary - all good. Marybeea is in the Rosebud top 10 and she is certainly worthy of that. And now after two consecutive days of indulgence my balls ache and they need some rest.
