The Story:

Booking through Lush was really well organized and professional, happy with that. Carla arrived at approx the agreed time at my hotel. Picking her up from the lobby and in the elevator she giggled at me as if "what an idiot you are to book a hooker" Very strange.....

At the room she just got right to it. Kissing was hardly done, just a few kisses and licks. After blowing my dick a little, complaining it being too big, she took a condom wanting to fuck me. We weren't 10 minutes away from start! Asked her if she'd have a second condom if I came, to do second round. "No, there is only 1 round" I was told. Agreed with her to put the condom aside and we cuddled a little. 5 mins later she put the cd on me and started the punt. Fortunately I could go for 20 minutes :-)) with her complaining it took too long.

After I came she jumped off of the bed and started to dress, leaving me to take off the condom and clean myself up. She pointed out the "job" was finished and she could just as well get dressed. No use to stay naked.

Very very bad experience, waste of money. Could just as well have booked 30 minutes, but 1 hour is minimum on outcalls.

Carla told me she's only here to earn money. Horrible, stay away from her.
