The Premises:

One of the many well appointed flats that the agency has in Milton Keynes. Always furnished well, although sometimes slightly creaky beds

The Lady:

I was let into the flat by a very attractive, slim lady with a warm smile. She asked who I was here to see and I said Michelle. She left the room and the penny dropped. That was Michelle. I waited for her to return and apologised for not recognising her, because her face is a blur in the pictures. She very kindly covered my tracks by saying she was wearing her hair with a fringe now and it was an easy mistake to make.

The Story:

I had left the money by the side of the bed, so there was none of the usual startup formalities or she trusted me.

Michelle approached me and gave me the most wonderful deep french kiss. We sat next to each other on the bed and she sexily asked what I would like. My mind boggled with indecision. I like to give as well as receive, so I asked if we could start with reverse oral. Michelle sexily placed the obligatory towel on the bed whilst sexily exposing her fantastic bottom, still in her underwear. I approached her over her shoulder and we kissed whilst I unfastened her bra. This exposed her petite, but beautifully formed breasts that my hand couldn't resist. She eased onto the bed and we removed her thong. I dived between her legs and had the most wonderful experience licking and kissing her beautiful tasty pussy. We would occasionally break for us to kiss, whilst Michelle purred, asking me what I wanted. After I hopefully brought Michelle some pleasure, we decided to finish with missionary. She applied protection on my manhood with her mouth, lingering to make sure he was happy. I would love to say I lasted for hours, but it was intense, sexy and just what I wanted. I came and even if Michelle was acting, it felt like a joint moment of pleasure. I think I may go back.
