Porters block in Waterloo, looked impressive until I got inside, it was really messy, I mean REALLY messy

The Lady:

Just like the photos, slim, attractive and on the face of it a potentially great fuck.

The Story:

As I said she looked just like the photos as I had expected because I had prior experience of Allure girls. I was quite taken with her looks and she had a typical EE accent. As far as the experience was concerned, it was something I'd rather forget about in a hurry. Everything was just so half-hearted as if she really would rather be doing something else, she had an appalling attitude, so bad I couldn't wait to see the back of her by the time I left. I only stayed to piss her off. Oh well, you can't win 'em all.
