The Premises:

Actually one of Annabella's best flats this time round. I really do prefer this one compared to others. This one was next to main MK shopping mall, convenient yet discrete, plenty of parking. Fit for purpose unit of flat but I wasn't expecting extravagance anyway. Felt very clean and good upkeep. Good powerful shower, clean towels.

The Lady:

As per previous reviewers, tall slender and perfectly proportioned, long flowing black hair. I would say young tight body, most soft, well pampered olive skin. Romanian lady, I would say in her early 20's as per her profile.

The Story:

This is a very difficult one for me. Is she nice? Yes. Does she kiss? Yes. Does she do a GFE? Yes, to a certain extent. But did we click? Maybe not.

I have set myself high expectations seeing that she has had 10 glowing reviews recently, and also Annabella is currently on a roll with new stars on the block like, my current fave, Imogen. However, just after making the appointment, I saw an old picture of her which to me looked slightly unflattering, anyhow I went ahead.

When she walked in, she was what I expected, a tall Romanian lady in a matt black outfit that fit her like a glove. She is a stereotypically beautiful exotic girl, sporting her round sparkling deep brown eyes, but my heart sank because she is just not my type. So maybe because of that I just didn't feel the desperate attraction to have an amazing time. Perhaps she felt that herself too.

Her hugs were sensual and generous, but her kissing was somewhat limited. If you have read her previous reviews, you will know she has a trademark upper lip sucking and kissing, that felt a little unfamiliar to me, but I am sure many other clients will enjoy this. However, she really does have a tight body for a lovely tall lady, she had me finishing - just like that.

Afterwards, we had a lovely chat, she is genuinely adorably friendly person. After goodbyes, I went

over for a lunch, contemplating how I will continue with my punting adventures.

So can I recommend her? I am more than willing to do so as my blunted experience is only to be blamed on myself. I wouldn't be visiting again myself, so guys, you need to look after her and please treat her well, because to some she is one of those rare gems that come and go.
