The Lady:

As described in my Review no. 122602 (re. 27th. May, '16), and I am hoping that the Punternet site administrator will allow me to break a rule and submit two reports on the same WG within a rather short space of time. Trouble is that I recommended Courtney enthusiastically on the previous occasion, and I feel responsible. I certainly do not wish that recommendation to remain open, and I certainly do not wish fellow-punters to visit Courtney based on my recommendation and then suffer the disappointment which I have earlier today.

The Story:

I think that Courtney said that this was her fifth shift. It's amazing what can happen, and what can change, apparently, in less than one month and just five shifts. There was no longer any DFK (she pulled away), and no longer any fingering permitted (similarly, she pulled away and took my hand away). OWO was still good, in fairness, but it was short and accompanied by a lot more basic hand-job. Overall, she seemed really disinterested in providing the service which she had been paid for and which she had given on her first day. Surely, she cannot have become jaded so quickly.

Tia was her usual dependable, sexy and enthusiastic self, but the session was ruined by the inequality of these two girls' respective performances. It just wasn't fair, and it quite put me off (with adverse effects in the stiff dick department). Half of my money was wasted, and, yes, I do know which half!

To demonstrate balance, I should add that it was a pleasure to meet up again with receptionist Claire. She's really warm, friendly and helpful, but has been taking a break for some time now.
