The Story:

Veronica is very friendly and warm, immediately put me at my ease as she entered the bedroom. Very enthusiastic as we discussed the way I wanted the session to go. I asked her to undress me, spank me and sensually dominate me. She did just that exquisitely, remaining very much in command whilst teasing and tantalising me. Incredibly sexy as she pinched my nipples with her gorgeous nails then began to spank and wank me. Keeping up a very sexy commentary throughout the half-hour until I could stand it no more and wanked myself off for her. She was wonderful and will definitely be returning.
