The Lady:

Sophia's pictures don't do her justice, she is so much more beautiful in real life. Very tall, model looking brunette, with amazing sparkling big eyes. Sophie is build for walking around naked. Every step shows new angles to her physical delights and add to the relaxed and sensuous mood surrounding her.

Sophia personality is great, you will be completely relaxed in her presence. She reads you fast and wants to take it all in.

Sophia holds nothing back including verbalizing her own desires.

The Story:

Sophia and I started with a shared bath touching, talking and kissing. A very relaxing and easy way to get intimate with each other.

Soon we were rolling over in the sheets enjoying each other more. For whatever reason I was not having the best of days, but Sophia was persuasive and insistent in raising me to the occasion. We were all over it position wise including Sophia showing one of her own invention - at least it is not in the Kama Sutra nor in my prior lifelong experience - where she literally fucks you by activating her butt big time. It is both visual and physical stimulation beyond description, but also adds an element of hilarity to the fun.

Short and sweet: Sophia really likes to fuck, and hard too. She enjoys most aspects of sex and is intensely curious about her own and others sexuality. Sophia likes people and lets it shine in her engagement.
