The Lady:

Brit, 30 something, tall, medium build, brunette, large enhanced breasts, fully shaved between the legs, body art. Younger looking and more attractive in real life than I was expecting from her blurred profile pictures.

The Story:

Blake must be House of Divine's best kept secret with (at the time of writing) only 2 Pnet reviews in total (both enthusiastic) and only one linked to her profile.

She greeted me with a passionate dfk and this was an activity which predominated our time together. An enthusiastic partner as we went through my preferred routine of frottage, owo, ro, fj and more dfk, she seemed especially keen to progress onto intercourse. This was in missionary (covered) so we could continue with dfk and she gave every indication of genuinely enjoying herself. At my instigation, the climax was through more owo with a cim finish. And what a long and powerful climax it was - it went on and on and on.

Afterwards my erection took at least 15 minutes to subside which only happens after the most intense of encounters. I definitely intend to see her again soon.
