The Story:

Angel greeted me in the room and I was so happy with my choice based on the way she looked. Total babe.

We started off with a good 15 mins of back and leg massage. To be honest this is too long. There needed to be more teasing of my more intimate bits. Over onto my front and she totally focussed on my hard dick. No build up, she seemed to just to want to get me off quickly. Don't get me wrong, it was great, but it could have been amazing with more build up.

An OK experience, there are much better at ego. That said, she is beautiful, and its not very often you get a stunning woman writhing all over you naked. Best part is she works at annabellas, where I plan to book a couple of hours fucking this beauty senseless.
