The Premises:

Great place. Had the small room, but that is fine.

The Lady:

Wow. tall, leggy, sexy as hell. Nice smooth skin and great boobs. Lovely face. A dream girl.

The Story:

She entered the room as I sat waiting in a towel. She took off massage robe to reveal that stunning body wrapped in sexy undies. My dick started to harden at the prospect of what was about to happen. Then it was face down for 5-10 mins or a full back and leg massage with just enough teasing my ass and balls to make me squirm. At one point she had reached around and was wanking me slowly whilst squeezing my balls with her other hand. I was in heaven. Then it was onto my front to watch this beauty in action massaging my chest and thighs a little, but really she spent 15 mins soaking my privates in oil and wanking the shit outta me. She got me the biggest and hardest ive been in a long while.

Unfortunately time ran out and she skilfully got every drop out of me. She is amazing.

She works elsewhere where more, much more is on the menu. Today she got her mouth real close to my dick, I cant wait to try a full oral session with her elsewhere. I cant wait to return to ego, perhaps annabellas so I can let this stunner fuck me senseless.
