The Lady:

The pictures are genuine but there is much more life in Kimberly's animated face and lovely smile. She is shapely in a very pleasing way and, given her interest in healthy food and fitness routines, she is fit in every sense.

The Story:

Not my first visit to Kim so I was greeted with a lovely cuddle and we were immediately catching up on each other's news.

Had shower plus orange juice and then our chatter took us to the bed and any remaining clothes were slipped off.

Kimberly is that great combination of a very friendly, natural lady and an effortless expert in her sexual antics.

Lots of sex, lots of chatter, lots of smiles, lots more sex.

Kimberly is a complete darling.
