The Premises:

Usual flat close to Warren Street tube. Comfortable, clean and well-managed.

The Lady:

Cora is a young, slim and petite Romanian girl, looking even younger than her 19 years. She has a lovely figure, a cute bum, and is also very pretty.

The Story:

When Cora entered the room I knew immediately I was going to enjoy the next half-hour! She was smiling, friendly and unfazed that I was so much older than her! She looked so good, fresh and sweet. Of course she is inexperienced and new to this line of work, but made up for that by being determined that I should take pleasure in her company. Thus owo, ro, 69 and sex were all participated in, and mutually enjoyed. Cora needs to be appreciated and respected, and she in return will ensure you are rewarded.
