The Premises:

A flat above one of the shops close to Wallington railway station. On-street parking is available for a fee. Access is via a discrete alleyway which is a bit grotty but once inside the premises is reasonably clean and comfortable. Bathroom facilities are available.

The Lady:

Lisa is an slim, attractive Chinese lady aged around 30. She is 5'9" tall and has C-cup breasts and lovely nipples. Like many oriental girls, she is not shaved down below. Lisa's photos are not on the Happy Girls Ace Massage site although from what she told me this is probably because she was visiting from Manchester. Lisa speaks good English.

The Story:

I've visited this parlour before and had good experiences so decided to stop off for another punt when I was passing through the neighbourhood. Frustratingly I hadn't got my phone with me so I was unable to phone ahead to make an appointment. Fortunately Lisa answered the door when I knocked and showed me straight in to the bedroom.

After completing the financial formalities, we both undressed each other. Lisa put her hand down my underpants and started to play with my cock and balls. Once undressed there was lots of caressing and French kissing before we moved on to the bed for lots more caressing, kissing, rubbing and body-to-body contact. All very enjoyable.

Lisa then put the condom on. I was a bit surprised that she didn't give me a blow job but I suppose I didn't ask for one and we were both gagging for sex by then. Sex was in the missionary position followed by cowgirl at her request, followed by more missionary and deep stick at which point we climaxed together. There was lots of kissing, caressing and eye contact throughout. After that I had a quick freshen up in the bathroom before Lisa showed me out.

Lisa told me that she was only working at Happy Girls Wallington to earn some money to pay off a debt in Manchester where she lives. I did get the impression that she is not a regular working girl and the sex certainly felt very much like GFE. Overall an excellent punt and highly recommended.
