Tall, slim and gorgeous blonde. Photos don't do her justice.

The Story:

Having been given the prices for half hour or an hour I chose the hour with scarlet. We started both naked on the bed with a very light delicate massage, she has very gentle touch which got me excited straight away, then we got down to the nitty gritty. She was flexible in trying and doing most things that I asked and if she didn't want something she just said no. We did everything from kissing to oral to sex and it was great. Can't say enough about scarlet would highly recommend
