The Story:

Was hoping to catch Sahari again but she's gone. I was only really looking for a quickie. So after a bit of brief foreplay emma sucked my rubbered up cock for a few minutes and stroked my balls before we fucked in mish with her legs over my shoulders before fucking her hard, fast and deep in doggy. She wasn't very responsive and was a little quiet during sex. After we finished she told me off in a joking way about my line of filthy talk during sex which I only seem to do with Thai girls...can't help my self. I was in and out in under 15 minutes, no fault of emmas, I just wanted to empty my sacks quickly.

The only thing I found bizarre was her big feet...little worrying with Thai girls but she definitely had a fanny!!
