### The Premises:

Nice third-floor flat in South Kensington and typical for the area, about 10 minutes from Gloucester Road. Flat was tidy and smelling of scented candles. Shower facilities, toiletries and fresh towels provided. There was a lift so I was not short of breath when I got upstairs.

### The Lady:

Really stunning blonde bombshell of a woman with blonde hair and a curvy (yet not fat) body. Superb rack and arse. Pretty and always smiling at me. The pictures don't lie.

### The Story:

Astrid seemed to be really into me so if she was acting then she is a good actress. Lots of slow deep french kissing, she stripped me off and then performed a strip for me (my request) and showed off her sexy body. Her blowjob (uncovered) got me standing to attention, then we had sex in several positions before she asked if I wanted to try anal (we had discussed on the phone). A bit of lube and I worked my way into her beautiful arse. This was heaven. I couldn't last long to be honest, and I quickly came. There was still time on the clock but she did not rush me out and gave me a massage which I thought was a nice touch. Recommended.
