The Story:

Very poor experience, I want to warn others..

I arranged to see SubmissiveKayla today at 3pm in Sheffield. I was running late and texted to let her and rearrange the time of the meet. All was fine when I arrived at her street I called her to get apartment block, which she gave me. However, when I arrived at the appartments I again called her to get the number; surprise surprise no answer, I gave it a couple of minutes and texted to find out what was going on - no answer. I then gave up and walked away. I decided to text her again to say thanks for wasting my time and that I would warn others. After a while she texted me back saying she had been in the shower and wasn't near her phone, which I find hard to believe.

I will think twice about ever arranging to see a WG from Romania again.
