### The Story:

This is the first time I've seen Yasmin and it won't be the last. The really great thing about her is that she actually knows how to give a fantastic massage. I was looking for someone to work out all of the knots and she delivered, leaving me feeling like a new man. She has such a fantastic touch and she could tell, without a word from me, which areas were giving me grief and really went to town on them.

She really did a great job on my neck which gets tight from a lot of driving that I do. She then gave me a fantastic lower back massage concentrating on the sensual areas before I turned over for her to cap the session off. I was left tingling all over. I felt thoroughly relaxed and refreshed. We had a nice conversation which just made the icing on the cake! Yasmin is ideal girlfriend material. I forgot to drink my glass of water!!!
