The Premises:

Pay & display so easy parking. Block of flats so discreet. Inside newly decorated as I could smell turps. Clean and tidy. Functional

The Lady:

Beautiful lady with great smile and dirty laugh. In her 30's so confident the way younger lady's aren't. I really think she enjoys her work. She likes to talk before so to build rapport but don't panic as she's not clock watching. Awesome blow job. Great on top. Interesting piercings. Photos don't do her justice. She really makes you comfortable

The Story:

Very tactile. Great sloppy wet French kissing moving on to mind blowing blow job. She loves doing it and it really shows. Moved on to sex. Tight pussy. Great fuck. I know she does bdsm as the beds got chains attached. I'd strongly recommend her I know I'm going back
