### The Premises:

The x lounge is great. Numerous reviews on this site. Can't recommend it enough. Great experience every time I've been. Its clean, discrete, no door fee so prices are very reasonable and all the girls have been fantastic.

### The Lady:

Nina is simply gorgeous. Italian lady in her early 20's. Long blonde hair, and an amazing body. She was working along with Lilly who I hadn't met before, but being a sucker for blondes, and seeing that terrific figure I know Nina was the one.

### The Story:

Unfortunately I didn't have much time for my visit on this occasion, so when Nina told me her prices I was happy that she offered me 20 minutes with one "service" for £40. Have never been offered 20 minutes here before and would have had longer if I had the time. Definitely on another visit though. She stripped off straight away as seems to be the way nowadays, revealing that amazing body.

Started with a very pleasant back massage for about 5 minutes or so, then she got me to turn over. Things then got more interesting. She got on top of me and gave me a full body to body massage making sure her fabulous tits went either side of my old man, bringing him to attention very quickly. This was very enjoyable, made better when she let me have a nice suck on each nipple. I was gagging for it now, so on went the condom and she climbed on board and rode me to a great ending. Normally it is a problem for me to cum when the girl is on top. Not with Nina though, she was great and I can't recommend her enough. Next time for sure. I will have a longer visit.
