### The Story:

It is over 4 years since I last fucked Pixie and she has improved. She is a full on sexy fuck machine. We chatted she sucked the tongue out of my head. I stuck my tongue deeply into her arse and she wriggled in approval. I thrust my cock deeply into her cunt covered of course and she thrust back with a twinkle in her eye and slutty laugh. Her tight pussy is a delight to lick and the 69 was brilliant. I mounted her and fucked her as her legs gripped me tight. Back to the kissing and stroking and with my cock ready to explode I just looked at her beautiful face and stuck my dick in her mouth. The suction was great and I was soon gasping trying not to cum, Pixie was not going to allow that and my balls tightened and I filled her mouth with spunk. She jumped up and thrust a spunk layered tongue in my mouth and the snowball was compete. Job done I admired her fit body and chatted think her witty and sexy. She does all the services and next time I think anal play and some anal intercourse for me. Hope it is not 4 years....
