The Lady:

exquisitely beautiful and sensual. Twitter photos today showed lingerie she was wearing. So slim, svelte, with fetching tattoo on shoulders. 100% more attractive than in photos: absolute dream with incredible eyes. About 5'5" but much taller when wearing her sexy heels. Toned and perfectly proportioned. Delighted to see her blonde tresses were tied up to enhance her Romanian beautiful face. As I said, incredible eyes. approx 20.

The Story:

Sonya was very friendly and eager to please. Good English and great sense of humour. Commencing proceedings with kisses and caresses: she smelled divine. beautiful bottom just right for holding whilst kissing her neck. A cup breasts were divine: emphasised her youthful and extremely tight figure. Started with one of the most slow, sensual bjs (owo) ever had with superb eye contact and slow, lingering fellatio and much attention to the ball sack. Moved to a sexy 69 and had the immense pleasure of lapping her smooth, shaved pussy whilst she attended to matters below with diligence. Sight and smelled divine. Moved then to cowgirl (she administered the hood with her mouth, which is always appreciated) and she was passionate and playful and mixed her moves to great effect. Just holding her ass cheeks and lapping her nipples was nearly enough for me. Moved then to missionary with me holding her arms across her chest with her ankles over shoulders whilst full pounding to a deeply fulfilling climax occurred, her soft moans and eye contact was incredibly powerful. Nice chit chat whilst she massaged the old man and my legs was great way to finish. Definitely recommend: beautiful young girl willing to please and took real pleasure in my pleasure. Can't get better than that.
