### The Lady:

WOW, I have seen Kandi on and off for about 5 years as I used to see her when known as llayla in Telford.

Very fit and attractive lady with great boobs, and legs that take you to heaven (though I did not now heaven was moist !!)

### The Story:

£0 minutes of oral both ways as not a condom man, and having seen Kandi many times before I really enjoy giving her oral as she always seems to enjoy :-)

Her oral is immense and after getting in to the 69 position did not take her long to sort me out.

Adore this lady but sadly she wants my brother !!!

Take care Kandi and when in area again I will call in and visit my all time favourite
