The Story:

I visit Amber whenever I can - she is that gorgeous. Today I could only fit in a short 30 minute session but still walked away with trembling legs. Amber is the sort of girl you dream about being your girlfriend. Not only beautiful and fit but also a lovely natural bubbly person. I could quite happily pop her in my pocket and take her home.

Sex is great - lots of DFK, oral without, amazing tight pussy and cim.

I cant wait till next time.
