The Premises:

A terraced house about a 15 minute walk from East Croydon station heading towards Addiscombe. Not at all discreet and there were 3 or 4 other people in the house although not punters. This was my main reason for giving a No recommendation.

The Lady:

A petite East European girl, probably Romanian, with a dark complexion and who had obviously recently given birth.

The Story:

I found myself in Croydon for the second consecutive week and again all my targeted punts were absent. It was an incredibly hot day and I opted to go there because it was walkable. The house was a bit squalid and I had to be let in via the back door. Katy was friendly, but her English was limited. The service itself was OK. She gave me covered oral and it was very slow and sensual. She said I was too big for sex so I opted for a slow hand job. She actually did that very well and I had a satisfying climax.

On the way back there was a lovely braless, busty black girl. I haven't seen a black or Indian girl for a while so that may be my next option.
