The Premises:

On street location with a simple doorway entrance. A friendly welcome (as always), clean and tidy rooms with showers and fresh towels. On street parking all around

The Lady:

Heather is petite, skinny and sexy a real sex doll! Beautiful face, blonde hair and a great figure. Better than her photos, mid twenties seems fair for her age,

The Story:

Grabbed a shower and Heather came in the room in a tight fitting black body and hold ups. She was engaging from the start with lots of kissing and caressing. Her hands were all over me and she moved us on to the bed. Some great oral with (OWO not offered) and I moved her round for some 69 action which she seemed to enjoy. She asked me about my favourite position and the absence of a decision elected to try as many as possible! Couldn't quite get to the end, so off with the condom to be finished off with an oily hand job and came over her perky breasts.

Love girl, very pleasant and considerate. Would recommend
