The Premises:

Flat above shops. Discrete. Parking in nearby car parks. Led straight to the bedroom, but the apartment was clean. The bedroom, clean cluttered, old dark wardrobe, painting above the bed of an 18th century scene at court. Comfortable bed. Clean bed linen.

The Lady:

Natasha is aprox 5ft 3. Busty, nice round bum, probably size 10. Good figure, nice legs. Attractive woman in her late 20s. The picture on her profile is accurate. (The natural pic, not the glam photo). Nice warm smile.

The Story:

She wore tight figure hugging short blue dress. She stripped off after bringing my water. I quickly followed. She lay on the bed, i lay beside her, started to kiss and carress, her hand went straight for my cock. Asked her to stop,, so i could admire her. She lay back and opened her legs, i went down and kised from her belly toher lips.

I then asked for oral with. She is very confident and was happy to give deep throat. She turned so i was greeted by view of her bum and pussy.

Changed again, so i could finger her as she took me in her mouth.

Until i came.

Afterwards i noticed the picture above her head. And it seems she likes art and antiques. So we talmed about art galleries.

A pleasant destressing 30 mins. I left satisfied.
