The Premises:

Recently built house on an estate with lots of parking. Very discreet with no nosy neighbours in evidence

The Lady:

Around 35 years old and 5ft 3ins but seemed much taller when she greeted me in very high heels. Slim but with lovely firm, large breasts and a tasty bum. Dressed in very short little black dress and no stockings because of extreme 30°C heat outside on day of visit. Lovely face and shoulder length thick hair. Much better looking than in her photos (where she doesn't show her face).

The Story:

Fabulous time with a lovely lady. Won't go into details but she is a fabulous kisser and great with her mouth in other ways. Very enthusiastic, open to suggestions, eager to please and obviously enjoyed herself as well. And those breasts are magnificent. Supplied and played with toys for both me and her. Thoroughly recommended and I'll certainly be back.
