The Premises:

New nice and clean welcoming apartment on a newly built Telford suburb estate, Very easy to find and it felt safe and has easy parking very close by

The Lady:

As other reports have said, Helen is an absolutely knockout and drop dead gorgeous .. very fit and a very sexy body .. would shame a lot of ladies half her age .. fantastic to view that 'bootiful' arse as she walks up the stairs ... :o) a REAL sight for sore eyes .. exactly what the word MILF should stand for and she definitely is one you would !

The Story:

I have seen Helen many times now, and if she is available, no one else comes close, hence my repeat returns. My visits to her are always a very fulfilling experience, no rush, and she is a true GFE ... puts you at ease from the word go .. she just gets better every time, a real beauty with brains and can hold an intelligent conversation. If you get a chance i would certainly make a point of visiting Helen .. like i said .. why go anywhere else ? I certainly don't..

Treat her well guys and leave with a smile on your face

Thanks again Helen babes for a wonderful time as always ... till my next visit .. take care and stay safe now ..
