### The Lady:

Trudi was as described, Pretty face ( better than the blurry pics ), well rounded , lovely large natural breasts and lovely colour. as time went on a good conversationalist and good sense of humour.

### The Story:

Ushered into room by the freindly maid. had a great welcoming shower as was a real hot day. Trudi entered the room on time with my drink were we sorted the paperwork.

It was obvious from the start that Trudi had a super pair of breasts, so onto the bed and off with her bra, wow , after being unleashed they fell into my hands like a pair of puppys. They were a joy to behold. Off with the rest of her gear and time was spent just fondling and exploring each others bodys . This turned into oral , RO , and I finally fucked her in mish then she fucked me cowgirl. She then brought me off with a most intense orgasm with a great oily handjob. A sensual massage followed and a second session of oral before showering ready for a long drive home.

Trudi was a great girl to spend time with. A great girl to talk to and a more pleasureable experience would be difficult to find. Thanks for the good time Trudi . I am sure we will meet again.
