### The Premises:

A grotty top floor flat about a 5 minute walk from Lewisham rail station.

### The Lady:

A very intelligent and friendly African lady, maybe size 16, with large 38F breasts.

### The Story:

Following my earlier Croydon trip I decided I needed to get my hands around a large pair of black tits! I didn't feel in the mood to slap around London too much so I chose Loreta because of her proximity to the station. It was a good punt despite my preference for slimmer girls. I just wanted a slow hand job while I enjoyed her large breasts. I started this by taking off her bra which I always enjoy. Her breasts were lovely and firm and so heavy!! The handjob took a while to complete and my orgasm was really intense.
