Blonde, early 40s (but looks younger), gorgeous figure and breasts to die for. Sacha has a wicked sense of humour and clearly loves sex.

The Story:

I had met Sacha before, so she greeted me like an old friend. We enjoyed a glass of chilled white wine (she brought plenty of ice which was used to great erotic effect in our lovemaking). In next to no time we were naked and entwined on the bed in her tastefully furnished and romantically lit bedroom. This girl knows exactly which buttons to press and is one of the best French kissers you could ever meet (that tongue!) This was a high energy hour and a half with lots of oral and penetration (a great exercise in self control cos I didn't want it to end). She orgasms very strongly and I found that a huge turn-on. It was a hot day - so not only was our encounter passionate, but also quite a sweaty affair. We were really hot for each other - and she loves to please. Sacha is a hundred per cent gold star - and I feel very jealous at the thought of others enjoying her company! She told me that she also has a gorgeous friend if anyone's up for a threesome! Thanks, Sacha.
