### The Premises:

Spotless modern apartment near town centre, railway station. Buzz entry from street, and solid door once inside. Totally secure. On street parking in Woking isn't easy, but multi-storey is available and not over priced.

### The Lady:

Darci is about 5' 8" in bare feet, a good 6' in her heels. She is anglo-English, and I'm afraid I find it difficult to over do just how lovely she is! I drown in her eyes, her skin is silky soft and so caressable. Legs, bosom and the "moving parts" are all perfect. With scarlet lipstick to please me I nearly swooned! She declares that she's 29, and I see no reason to doubt that. Her photos are few, but they certainly match her - I think that they are about a year old.

### The Story:

This was my third visit to Darci, which should indicate that I found all that she offered me entirely satisfactory! At my request we started with her fully dressed, and progressed slowly from groping and cuddles to coupling. She never said "no" to anything, and when, without previous warning, I produced the aerosol whipped cream and strawberries to eat off her magnificent breasts she eagerly co-operated. My first experience of food sex! To be repeated. We didn't have time for cherries elsewhere.

Unlike many ladies Darci doesn't just offer her clients a shower, she expects them to take one, the time not being counted.

While it would be silly to suggest that Darci fell instantly in lust with me, I had the impression that she enjoyed our coupling, which greatly multiplied my pleasure.

Darci asserts that she is eager to assist her clients in breaking their taboos, which is a nice idea. Her service is not standard in and out but individualised to the client, or so she says, and my own experience suggests that that is true.
