### The Premises:

Amy operates from her home in a quiet backstreet with adequate parking. For me the main problem is that there is no bed, instead there is a large couch which is not wide enough for two people to lie side by side. Part of my pleasure is to lie and cuddle after the battle. this is not possible

### The Lady:

Amy is an attractive busty brunette about 30 years old. Her breasts are gorgeous with very suckable nipples that are most responsive. She met me wearing the most seductive underwear and i could not get at her fast enough !

### The Story:

She gives and receives oral but it is not comfortable on the sofa. Amy enjoys her work and wants to please. At my age I am more interested in hand and mouth rather than intercourse and Amy gave me a delightful orgasm. I will definitely be going back
