The Premises:

This is my forth time at this great establishment, and it just seems to get better and better. The place is a clean as always and the maid was very inviting. The maid was different to before this time around, but was as lovely as the one who was there before, and offered me a drink on arrival.

The Lady:

This time I saw Amy for (1hr session), and even though in my last review I admitted that Alex was my favourite so far, Amy is just as attractive (absolutely gorgeous in every respect) and is as skilled in the domination scene. She was so good in fact that I am going to see her again in August, as soon as cash flow and annual leave allow for it. Amy is probably in her late 20s/early 30s, has lovely blond wavy hair, she is moderately tall and has the perfect body. She is really really pretty and is as sexy as hell, both in looks and in her mannerisms. Her feet are really nice too. Around size 5, slim and really feminine.

The Story:

I booked Amy for 1hr for a foot domination and ballbusting session, and she is so skilled at this, that I was blown away by the session. She practices the art to perfection and knew exactly how to turn me on and balanced the pain-to-pleasure ratio perfectly. Amy not only knows what she is doing, but I genuinely felt at ease and she made me feel like I could tell her anything without feeling embarrassed. Absolutely nothing phased her, and she remembered everything that I wanted and added her own spin to the session, which was great. The session started off with a an office fantasy scenario, where she had caught me fiddling the books (her suggestion), and promised not to tell on me if I accepted her proposal. This including me having to worship her feet, mixed with mild Ballbusting, with the session ending with a pretty hard kick in the balls, which floored me (at my request), followed up by a long, sensual rub from her pretty feet and toes that put me in a state of absolute ecstasy. She also, gave striptease and tease and denial throughout the session. I must admit, I haven't visited Amy before, as many years ago she had a few negative reviews online, but please please trust me that I wish I had seen her much sooner, as she is brilliant, and she has either really stepped up her game, or the reviewers were being completely unfair. Amy really gets into the session, and appears to enjoy her art, which not only turned me on beyond belief, but made it one of the best sessions I have ever had. I cant wait to see Amy again, she is an absolute

ballbusting/Foot-dom domination goddess. Another big thank you to the retreat for another great experience.
