Sexy blonde 42 year old lass, 36C firm and natural breasts, slim size 12 and sparkling blue eyes. Better looking lady than in the pictures on the website

The Story:

Despite Lauren is late for more than 30 minutes due to the traffic on the M25, she came to see me for the first time in six years (that was in August 2010), handed her cash and she stripped into her strapless bra and thong and we did some good foreplay with lots of kissing and lots of cuddling.

Afterwards, we had sex in various positions until I shot my white stuff onto her tummy, then more sex and more orgasms I have and this was my biggest orgasms of all my life!

After sex, we had a bath and bid farewells to each other and I will see you again on Christmas!

Have fun Lauren and thank you Stansted for the rearranged session despite me being in hospital.
