### The Premises:

Just on the outskirts of Bury town centre, quiet side street, no housing nearby, just around the corner from La Maison.

Friendly relaxed atmosphere, great receptionist, nice big rooms with ensuite showers.

Plenty of hot water & towels.

One minor complaint, the last 2 times i've been to GFE i've been in the same room and the mattress on the bed is a bit lightweight and has a tendency to move off the base when things get a bit heated!

Other than that no complaints.

I never feel rushed at GFE which is a big plus for a punter I feel.

### The Lady:

One of the most beautiful women i've ever met, never mind been with.

A truly gorgeous dark haired beauty, all natural as well I think.

Olive skin, lovely big eyes, fine bone structure, luscious full lips, great smile.....

Down to earth, friendly, modest (all the really great WGs are modest in my experience, I suppose they don't need to brag), thoughtful, polite, elegant.....

Also fantastic at what she does.

I better shut up, as you may have gathered I really like her!

Oh yeah she loves Pickled Onion Monster Munch as well!

### The Story:

I've seen Sasha once before, when she worked at La M and it was one of the best sexual experiences of my life, for one reason or another I hadn't been able to see her again until this day. She greeted me in reception looking casually stunning (if that's possible) dressed in black, underwear, stockings & heels.

Lovely smile on her face, she remembered she'd seen me before.

She left me to shower before returning just as i'd finished drying off.

What followed was half an hour of sheer sexual bliss for me.

One of the best BJs i've ever had, plenty of deep throat & gagging, full on sensual DFK (with those luscious, soft lips), a great 69, enthusiastically recieved RO, tongue fucking, mish, cowgirl & finishing with a CIM that had me floating somewhere above the planet!

My God this woman is something else, she's up there with the very best WGs i've ever seen, I can only think of 2 other girls in her league.  
I loved it all. Even the Monster Munch!
