The Lady:

Super busty with 36E breasts that are natural. WYSIWYG the photos are exactly right. She has the most amazing eyes and also a sexy accent. You come under her spell in no time.

The Story:

Helen came to see me the other night. She arrived slightly early, but I did not have a problem with that. We chatted a bit then she stripped to show her AMAZING breasts. She has a naughty glint in her eyes. We had so much fun thank you Helen.

I booked her the day before and the people in the office were so helpful. I will certainly think of using this agency when I next stay in London.
