The Lady:

Kaz is a goddess, probably the best looking mistress in the UK. Physically she is a beauty however her personality is even better. Kaz is friendly, attentive and has a great manner although there is no doubt she is in charge. Kaz is a legend and without any question is a must visit for anyone looking for a first rate BDSM experience. She is a blonde, pocket sized mistress that oozes sex-appeal.

The Story:

Good communication prior to the session where I set out my role play fantasy which Kaz agreed to act out for me. She is a very talented actress and far exceeded my expectations. I'm not going into great detail about the session which included bondage, humiliation, spanking, anal play and strapon. Kaz is a superstar and provided a great experience acting out the role play impeccably. The best BDSM experience of my life. Thanks Mistress Kaz.
