The Story:

well verity has been on my to do list for several years now as i had bumped into her at sandys and she seemed so friendly and attractive

sadly she left before i had the chance to meet with her so when i saw her on the rota at bury i just had to get down there first thing on a sunday morning

due to roadworks i was alittle late but after checking with tracey , verity said she could squeeze me in for 30 mins

if anything verity has improved since her days at sandys and is an absolute stunner - she could do with some new pictures however as her hair is much shorter and to me she resembled sheridan smith but with a much improved chest - although sheridans isn't that bad either

verity came into the room straight away as i had a quick shower - i had only just had one at home and got things ready and we chatted as i explained how pleased i was to see her after missing out for the last few years

as i dried myself she asked in a really cute yorkshire accent what sort of service i would like i asked what was available and verity replied that " i do everything from GFE to deep throat ,CIM anal and rimming"

what a pleasant surprise that was - to be told that anal was on offer and she said it in such an open manner as well - i know with some girls when you ask them whats on offer they ask what would you like - fair enough - but verity was very forthcoming and i immediately started to spring to attention i asked if we could try some anal to which she replied " ooh you are a dirty boy then arent you - good job for you i really like it up my arse"

as we only had 30 mins verity quickly removed the bottom half of her outfit and said shall we just skip the massage and get straight down to it and i nodded

verity dived straight in to the OWO and probably went as deep as anyone ever has on me

she then climbed up the bed and insisted i gave her a good licking out and that i should concentrate on her clit

a few minutes later it was time for a titwank before verity said "right then now that its nice and hard lets get it up my arse"

after a bit of lubrication and a condom we settled for doggy but when that proved unsuccessful verity suggested i lie on my back and she would do the hard work which she soon achieved as she was riding me on top looking straight into my eyes with me balls deep up her arse and playing with her boobs she told me she had only started doing anal about 4 years ago so she said that she is still nice and tight - and she was - but that she wished she had started doing it sooner as she loved it

finally to finish verity removed the condom and finished me off with her mouth - i am not sure where it went but her mouth was over me when i did come and she didnt rush off to spit it out and she even went back down to lick the dribbles up

verity made sure she had a good shower before escorting my out

we had run over slightly and her next booking was waiting in reception

i said to verity that i was sorry to keep him waiting to and that she did not have time for a break to which she kissed me full on the lips and said " no problem i am really in the mood for some more straight away - i just hope he wants to fuck my arse as well as you" and gave me a cheeky wink so in summary - a fanatastic lady - a fantastic accent - a fantastic body and as mucky (in a nice way) as fuck - what more do you guys need - get in there and fill your boots
thanks verity xxx
