The Story:

With the demise of the more 'respectable' parlours in Ilford and Romford I guess this place is now my first choice. Last visited around 9 years ago and although there has been a refurbishment little else has changed. Greeted by a lovely friendly lady and shown to the room. 2 ladies on offer and they both came into the room to introduce themselves. As Ruby greeted me with a hug and kiss on the lips I opted for her. Paid the £20 entrance fee to the maid and was then shown to the shower which I used as it was a hot day and was a little sticky. Back to the room and Ruby returned and we negotiated a full personal service for £60 which I thought was quite reasonable. Then she said for an extra £10 she would do a toy show and I could watch her squirt. I took her up on this as I liked the sound of it. Paid the money and on her return she stripped down to her painties and sat astride my back and gave my back and bum a rub. This was quite enjoyable and then she dismounted and continued to rub my legs with the usual teasing of the old chap to get things moving. I then turned over and she laid next to me and started to pleasure herself with a vibrator while i rubbed her gently to make her climax and squirt gently. Then it was on with the condom a bit of cock sucking and then sex in mish. As she was quite wet after squirting I couldn't cum and she duly obliged me by hand after removing the condom. A nice experience and with plenty of soft drinks on offer I didn't feel at all hurried. The one thing I couldn't get my head round was she kissed me when she introduced herself but made it clear that it wasn't on offer during our encounter. Also I'm not sure if I'd pay £10 again for her to pleasure herself while I rubbed her.
