### The Story:

Wow this lady is good. Immediately made me feel at ease and very very horny. Everything is on offer apart from OWO and anal. Included within the ?60 for full personal is an assisted shower, any uniform and role play as well. I opted for Debbie in leather and we chose the outfit together. She went out and put on a leather mini skirt and leather waist coat and then put on some amazing thigh length leather boots. Debbie teased and pleased with mild domination. She is soooo horny and is fabulous with her hands and tongue. I'll be back Debbie you horny little devil!
