### The Premises:

Christine has a really nice apartment in Central London, very safe, modern and immaculately clean.

### The Lady:

Christine greeted me looking stunning at the door wearing a very sexy red dress and high heels.

### The Story:

I got a warm hug and a few kisses as a hello and was already gettin hard in the corridor! Christine continued with more kisses in the bedroom and her dress was peeled off to reveal her perfectly toned body. I would put her down as a size 10. She works out in the gym and it clearly shows, she must have one of the best bodies out there!

She then went down on her knees and proceeded giving me a great blow job with condom. I had to eventually stop her otherwise i was going to cum in her mouth there and then! More fun continued on the bed where i used her dildo to make her climax -really nice. Eventually on with new condom and sex followed in a variety of positions before i shot my load in missionary position.

All the time Christine was very keen to please at whatever request i made, nothing seemed to be too much trouble.

Had a quick shower and a chat before leaving -a VERY happy chappy!!!

Highly recommended guys, it only takes one session to be hooked!
