The Premises:

Hush is located on Daybrook Street in Nottingham, there is on street parking around but leave time to find a space as it can be busy.

You go in a door and buzz and are let in; the premises is a large building with several staircases and rooms off. The room I used was quite large with a shower room off, the decorations and furnishings are pleasant. The shower was adequate and shower gel was provided.

The Lady:

Demi is the lady who worked at Rub Massage in Nottingham under the name of Tiffany.

I would say she is in her early 20s, she is mixed race and very pretty, she has a nice well proportioned young body with a lovely pair of breasts to die for, I'd estimate size 38D

The Story:

Demi took off her bra and panties and came to give me a kiss; we renewed our acquaintance and once again I just had to fondle her irresistible breasts, being mixed race she has lovely dark nipples!

I was then invited to lie on my front on the massage table and received a wonderfully erotic body massage with Tiffany using her hands, breasts, pussy and whole body to wonderful effect; especially erotic for me was when her finger played around with my perineum and anus and then the extremely erotic experience of a finger up my bum, a repeat of the performance at Rub.

Tiffany then asked me to turn over and proceeded to stimulate my nipples, balls, cock and bum whilst I played with her breasts and her pussy with a few bum slaps which I remembered that she liked.

By this time I was rock hard and she continued to massage me very erotically and it didn't take long for me to come to a shuddering orgasm.

She then cleaned me up with wipes which was a nice touch and waited whilst I had a shower, after I dressed she saw me off the premises with a big kiss.
