The Premises:

Usual place behind the High Street. Discreet entrance, few people about using the car park but didn't feel awkward. Door was opened moments after ringing bell. Very hot day, very warm inside the room but good shower.

The Lady:

Rachael is absolutely stunning. Very beautiful and sexy, incredible figure. Photos and details on the website were accurate. Her long hair was tied up, possibly because of the heat.

The Story:

Very relaxing experience, Rachael was wonderful. Went for the deluxe body to body. Great massage all over my back and legs to start, then moved up to my arms and hands. Incredibly, the hand massage was phenomenal. Rachael then moved on to the body to body portion, climbing onto my back, very naughty, and then she turned me over. Simply fantastic! If I had a minor gripe, they were running behind when I arrived, so my appointment started 5 minutes late, and yet I left 5 minutes early. I thoroughly enjoyed the experience nevertheless though so didn't feel short-changed.
