The Premises:

Self contained rented flat accessed from the rear of the shopping centre. Plenty of parking nearby and near to the tube station.

Clean and tidy with amenities you would expect from a rented flat.

The Lady:

A beautiful petite blonde Hungarian lady, she is most certainly the lady in the pictures.

I was surprised her profile says she's 35 as she looks younger. Tanya speaks very good English so no communication problems.

The Story:

Decided to go and see Tanya again, and was welcomed with a big kiss.

After using the facilities we adjourned to the bedroom for a very relaxing hour. I went in to a blow by blow description of details but needless to say the hour passed very quickly and I left with a smile on my face.

If you are in the Harrow area, Tanya is certainly worth visiting.
