The Premises:

The House of Divine Flat in Euston has been documented many times before.

There is a bathroom, number of bedrooms and small kitchen.

The bedroom I was in had a clean bed and towels, fan, chair for clothes and a mirror

The Lady:

The new photos of Kirsty had just been published and prompted me to make a booking. They are very accurate, walking into the room I felt a rush knowing I was going to enjoy this.

She's around 25 / 26 years old - 5'3 out of shoes. She is slim with a lovely pair of breasts (I'm not sure if they are real or fake) with pert nipples. She has a few tattoo's which look great on her. She has at least one piercing

The Story:

Kirsty had that mischevious look in her eye when she entered the room in heels, bra and panties - none of which stay on very long; we both knew why we were there and something clicked for me. :diablo: She felt more like an willing accomplice for 30 minutes, fully engaged for our session rather than someone just being there..

She is the kind of woman I like to be with : extremely energetic and passionate; funny, playful and sexy as hell. We were soon undressed and enjoying each others company - the list of HOD's site is accurate with no extra's being offered or required.

I was soon enjoying some fantastic OWO in front of the mirror then we moved onto RO which she seemed to enjoy quite a lot. After a while we moved onto full penetration in multiple positions (with protection) finishing with me cumming in her mouth (she does not swallow).

I was quite exhausted by this point and we talked, Kirsty has a great personality and sense of humour : I'm not sure the maids are use to laughter coming from the rooms as well as other sounds.

Kirsty made me feel extremely welcomed and I left extremely satisfied.
