The Premises:

A modern upstairs flat about a 5 minute walk from Aldgate East tube station. It was situated in a quiet road and the entrance was very discreet. The room was very well decorated and cool.

The Lady:

An attractive, dark haired Romanian girl in her early 30s with large, soft natural breasts.

The Story:

I enjoyed the session which started with covered oral while I was standing. We then switched to the bed and had sex in two positions, missionary & from behind during which I reached down to fondle her breasts.
